kidsport GPS

USER GUIDE

Let the **FUN Begin!** The goal of Kidsport GPS is simple…to give parents greater peace of mind, and children a greater sense of freedom when they should be focusing as much on fun as on safety.

In addition to GPS tracking, Kidsport GPS also contains an SOS button, which will allow the wearer to simply press a button to ALERT others. This will give caregivers the ability to FIND their kids, allow them to have FUN, and give them the FREEDOM to live! And if the band is ever taken off, Mom and Dad will also be alerted that their child is no longer wearing the device.

VERY IMPORTANT: Kidsport GPS is not a substitute for supervision of any person wearing the product. Accuracy of location is determined by GPS satellite and cell signal strength, and will NOT give a location at ALL times. For example, GPS accuracy may be affected while the band is indoors, being used in urban areas (GPS doesn't like big buildings!), as well as other factors. PLEASE DO NOT RELY ON YOUR KIDSPORT AS THE PRIMARY METHOD FOR LOCATING YOUR CHILD.

Your Kidsport band is designed to be waterproof, however, to increase the life of the silicone band, we recommend your child takes the band off when bathing or swimming.

Kidsport transmits its location data through cell towers so please note that there is a $9.95 monthly charge for you to locate your child on your app. But fear not…there are no monthly contracts and you can cancel your service at any time!

WHAT CAN KIDSPORT GPS DO?

- Locate your child from a mobile app, computer or tablet
- SOS button alerts caregivers on mobile app that button was hit
- Let you know when the wearer takes it off

Things you will need to ACTIVATE Your Account and Band:

- A fully charged Kidsport GPS band (2 hours to full charge)
- Kidsport GPS Box contains activation numbers you will need, so PLEASE DON'T THROW IT OUT. It's also a great idea to record these two numbers. (IMEI and ICCID)

KIDSPORT GPS BUTTON

There is only one button on the Kidsport band. This is an SOS/ALERT button that will trigger a message to those that have the app loaded on their mobile device, and have cell connectivity. This message will also be sent to a web application so it can be viewed on a computer or tablet. There is no ON/OFF button on the band. It is designed to transmit locations at all times, as long as it is charged. This in an important safety feature.

Wearer should hold down on button for three seconds to trigger.

SOS Button

KIDSPORT GPS SAFETY LATCH

The Safety Latch on the Kidsport Band is an awesome feature designed to keep kids safe! It is also designed to be "moderately difficult" to remove. In other words, we want it to be difficult for kids (or strangers) to be able to remove, but easy enough for parents or caregivers to do it.

Here are the steps:

• Use the supplied golf tee (or any other golf tee for that matter), a pen, or paperclip. Insert it into the hole of the latch, and then push down.

• At the same time as pushing down, pull the two sides of the band apart

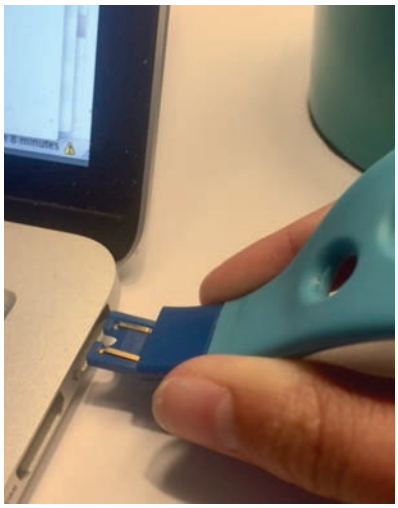
• When the latch is opened, an ALERT will be sent to your mobile device (assuming you downloaded and logged into the app). This alert may take between 1-3 minutes, depending upon the cell coverage in your area.

STEP 1:
PLUG IN

The charging pins of the Kidsport band MUST be inputted correctly or the band will not charge. Make sure they point upward, facing toward the LED light on the charger.

STEP 2:
CHARGE

After plugging in your Kidsport, simply lay the rest of the band on the Kidsport logo. The band must charge TWO HOURS to get a complete charge. On a 100% charge, your band will last a full day (between 20-24 hours). After plugging in your band, simply rest Kidsport right on your charger as seen below.



Your band will charge in any standard USB charging port including one in your computer. Again, it is IMPORTANT that your charging pins are face UP. Charge times will take a bit longer when charging in a computer. Give it an extra hour and you will be good to go.
Note: Some computers will not transfer enough power to the Kidsport to charge the band. In this case, you will need to find an alternate solution such as the included power charger.

STEP 3:
DOWNLOAD MOBILE APP

Go to the App Store (iPhone) or Google Play (Android) and search for the app called MyKidsport. The app is free to download and needed for you to locate Kidsport bands.

You can also activate your Kidsport GPS by going to MyKidsportGPS.com

GET IT ON App Store

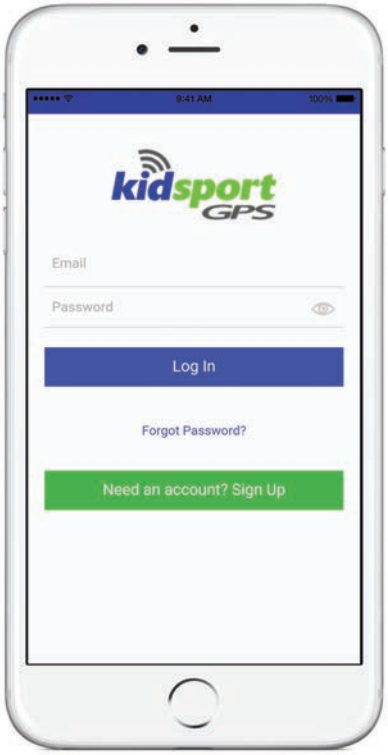
GET IT ON Google play

STEP 4:
MOBILE APP AND MAPPING INSTRUCTIONS

SET UP NEW USER ACCOUNT

Go to the App Store (iPhone) or Google Play (Android) and search for the app called MyKidsport. The app is free to download and needed for you to locate Kidsport bands.

You can also activate your Kidsport GPS by going to MyKidsportGPS.com



ACCOUNT REGISTRATION

Input the information into the app to create your account.

ADD BAND

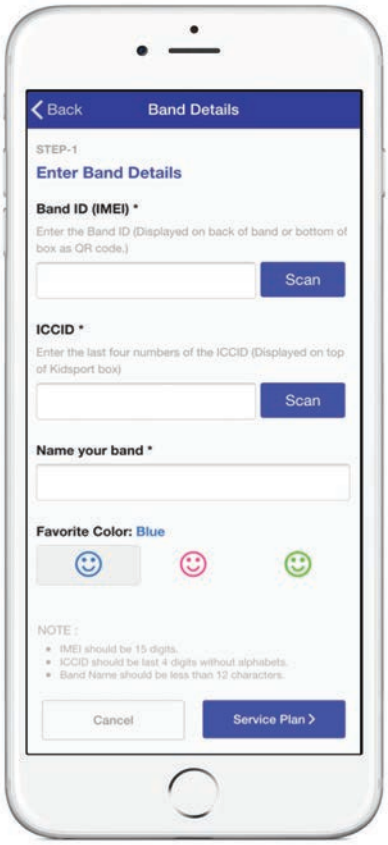
It's now time to add the special Kidsport GPS codes into the system. There are TWO VERY IMPORTANT codes you will need.

Both codes can be found on the bottom of your Kidsport box.
• Band ID (IMEI): **This will be the first code you scan into your mobile application.**
• **ICCID:** This is the second code you will scan in.

ENTER CODES USING SCANNER

You can manually input the codes. Or simply hit the Scan button to upload the IMEI code directly to your app.

Some phone's scanners are a bit "touchy." If your scanner cannot upload the number, no problem…simply manually input the numbers that are under the codes. REMEMBER, FOR ICCID, ONLY INPUT THE LAST 4 NUMBERS (No letter).



Back
Band Details
STEP-1
Enter Band Details
Band ID (IMEI) *
Enter the Band ID (Displayed on back of band or bottom of box as QR code.)
Scan
ICCID *
Enter the last four numbers of the ICCID (Displayed on top of Kidsport box)
Scan
Name your band *
Favorite Color: Blue
NOTE :
IMEI should be 15 digits.
ICCID should be last 4 digits without alphabets.
Band Name should be less than 12 characters.

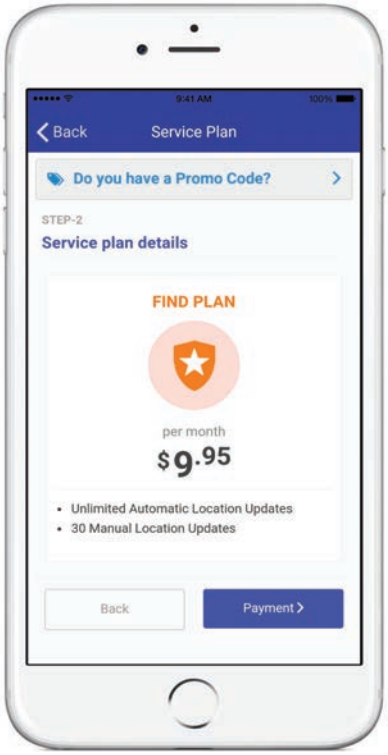
Service Plan >

SELECT MONTHLY PLAN

Your Kidsport Plan costs **$9.95 a month.** The band is programmed to automatically send location every 5 minutes but will also allow you to request location manually ON DEMAND. Which means, if you need to know where your child is right now, you simply hit the EMERGENCY LOCATE button on your app to request an "extra" location.

Your plan includes unlimited location updates every 5 minutes and 30 Additional EMERGENCY Location updates each month. If you go over 30 Emergency Updates in a month, your credit card will be charged only $5 for the extra peace of mind.



PAYMENT

Simply put in your credit card information and press PAY.

BAND ACTIVATED

Your credit card has now been approved and your band is in the process of being activated into the Kidsport Tracking Platform

***This will take between 10 and 15 minutes. You will receive an email and SMS notification once your activation is complete.

Once you receive the email telling you that your band has been activated, AFTER YOUR BAND IS FULLY CHARGED FOR TWO HOURS, take it outside with a clear view of the sky for at least ten minutes. This will give the band an opportunity to “grab” the satellites and get your first location.

Then click View My Bands.

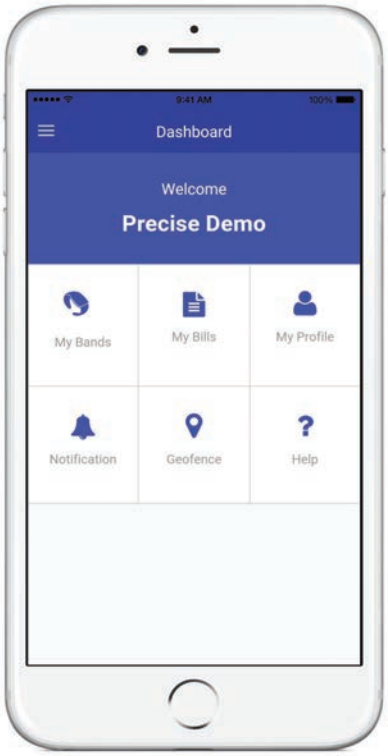
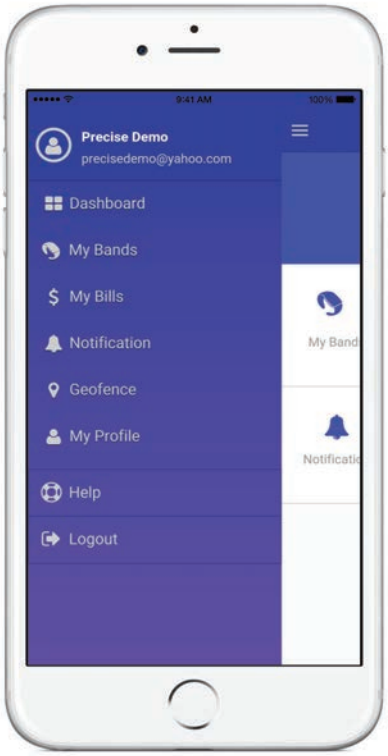
DASHBOARD

This is mission control for your Kidsport Bands. From here you can view bands, track bills, edit your profile, view notifications, set up geofences (safe zones) and view your User Guide right from your app.



DASHBOARD (SIDE SWIPE)

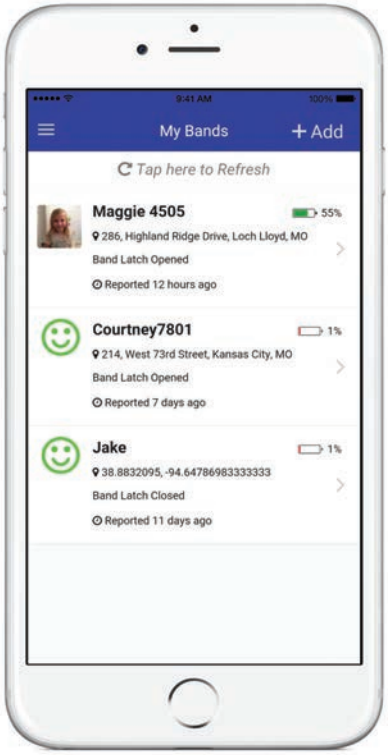
You can also view your Dashboard by simply swiping right with your finger.



MY BANDS

To view an individual band location and to adjust settings for that band, click on it.

You can also ADD a new band to your account by clicking the (+) sign in the upper right corner.



MAP FUNCTION

On this screen you will see your child's name and address location. Band location will update every 5 minutes.

Band Latch Open

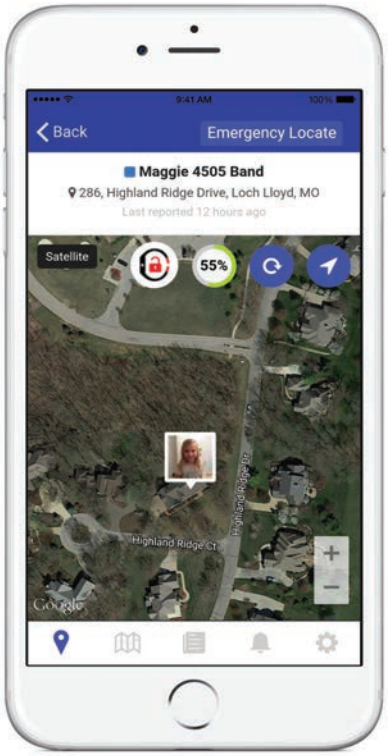
Band Latch Closed

Battery Level

Refresh Current Location

Directions to Band

Emergency Locate on Demand



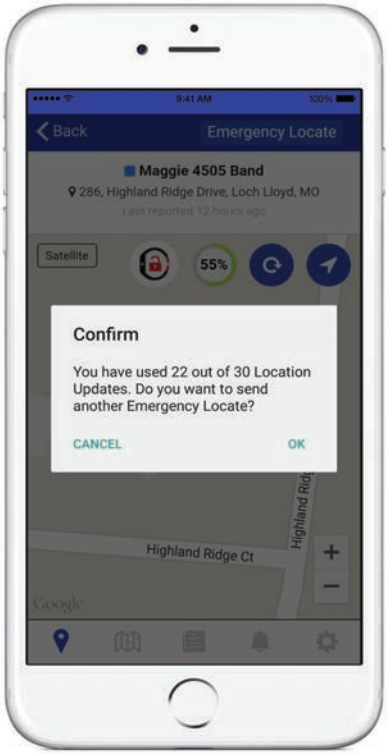
Band Latch Open: If the band's latch is opened for any reason, it will send an immediate Push Alert. The band icon will then go from Green to Red during the next interval location update

Band Latch Closed: When the band's latch is closed, it will send a message to your app letting you know. This message will be sent when the next interval send occurs.

BATTERY LEVEL: Battery should last approximately 20 hours before it needs to be charged again. When the level hits 4%, you will be given an ALERT email, letting you know it's time to charge.

DIRECTIONS FROM BAND: The app will show your mobile device location as a blue dot. By hitting this button, you will be taken to a Google Map that will show you how to get to the band location.

EMERGENCY LOCATE: There may be times when you need an immediate location and can't wait for the map to update at the regular interval. When this happens, press the Emergency Locate button on your app. It will send a signal to the band telling it to transmit it's immediate location. This update will come between 45 seconds and 2 minutes…based on cell coverage. You receive 30 Emergency Locates per month and will receive a message letting you know how many you used.



ADDITIONAL ICONS

Location History

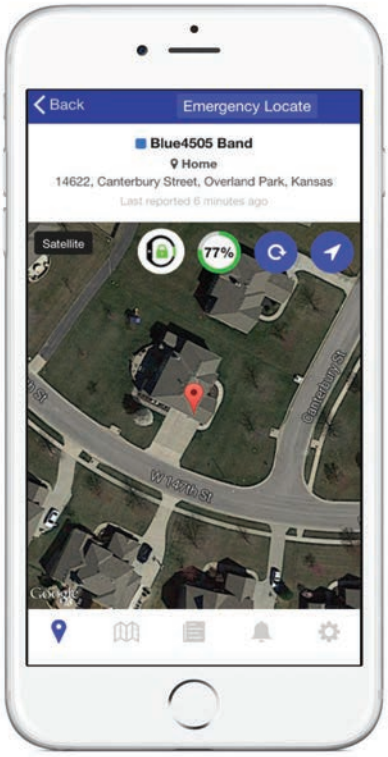
Check your band usage data

Alerts and Notifications

Settings

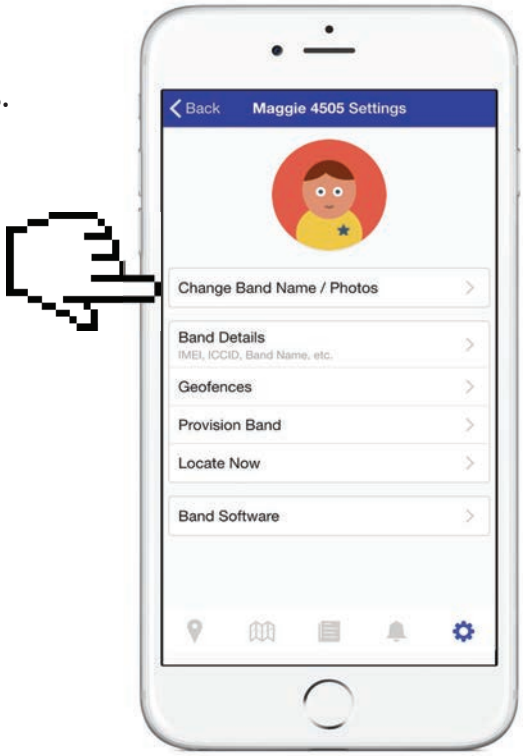
MAP SETTINGS

First thing to do from the Map screen is to adjust the settings of your band. Click on the icon in the lower right corner of your screen.

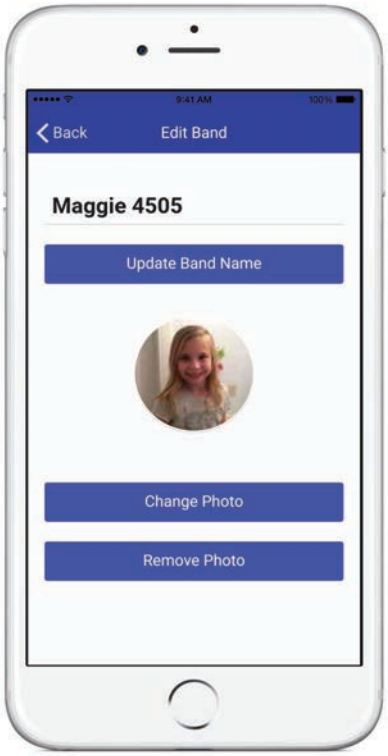


ADD PICTURE

The first setting to change is the Band Name/Photos.



Click on Update Band Name, then Change Photo. This is a chance for you to put in your Kid's most entertaining photo!

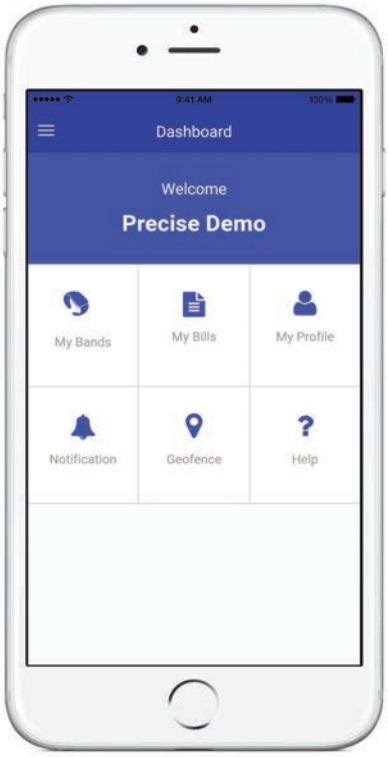


GEOFENCE (SAFE ZONES)

From the main menu in your app, you will create a library of Geofence safe zones that you can “designate” to your Kidsport band(s).

For example, you may choose to create a Geofence for the bus stop area, or perhaps one for your neighborhood, or one for day care. Click Geofence from the Dashboard to be taken to a screen to create.

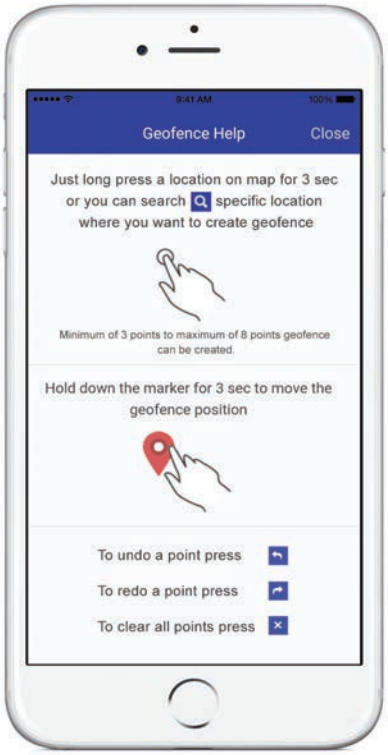
Keep in mind, this is only the area where you CREATE Geofences. Once they are created, you will then go back to the individual Settings for a specific band and then ASSIGN your created Geofences to that band. It’s a bit like “cutting and pasting” on a computer. You first create the fence, and then you have to tell each band which Geofence it is programmed with.



Press on the (+) button in the upper right corner to Add a Geofence location to your library.

GEOFENCE TIP

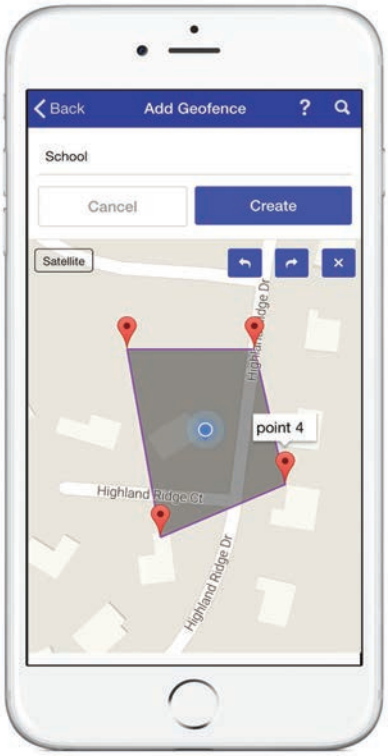
Follow the tips to create your Geofence.



Geofence Help
Close
Just long press a location on map for 3 sec
or you can search specific location
where you want to create geofence
Minimum of 3 points to maximum of 8 points geofence can be created.
Hold down the marker for 3 sec to move the geofence position
To undo a point press
To redo a point press
To clear all points press

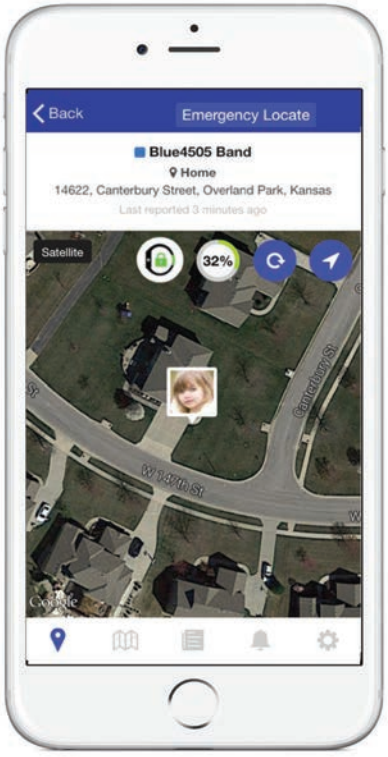
NAME GEOFENCE

Name your Geofence then press your finger on the map to designate the boundary of the safe zone. When finished, hit CREATE. That Geofence is now loaded into your library and can then be assigned to any band in your account.



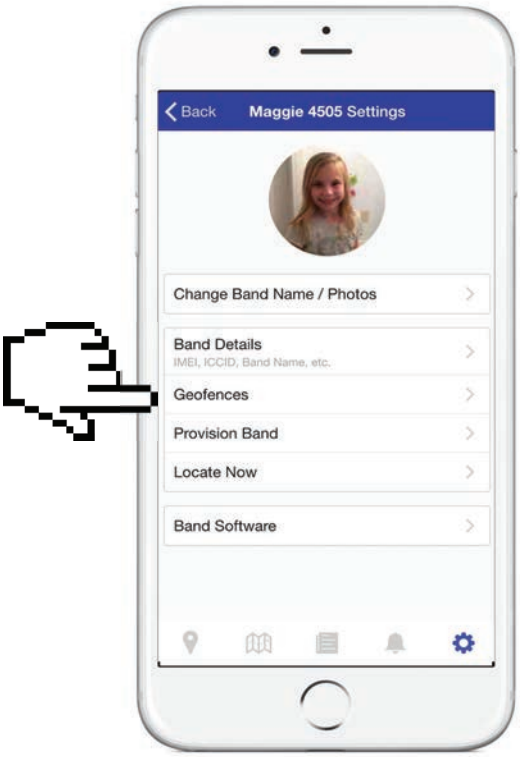
ASSIGN GEOFENCE

Geofences only work if you “put them somewhere.” Which means we need to tell your Kidsport Band which Geofences it will work with.
To assign a Geofence to your band, go to the band’s map screen, then hit Settings in the lower right corner.



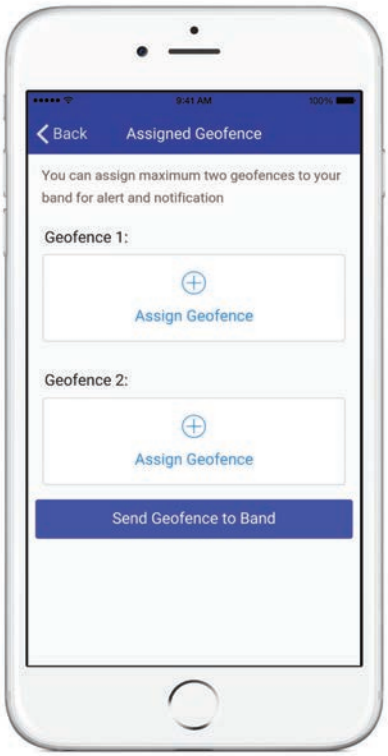
ASSIGN GEOFENCE

Press on Geofence.



ASSIGN GEOFENCE

Press the Icon that says Assign Geofence.

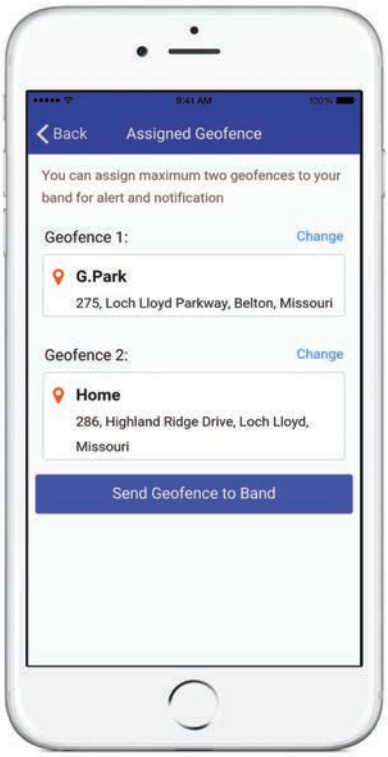


ASSIGN GEOFENCE

The list of Geofences that you created in your Library will appear. Click on one that you created and want to assign.

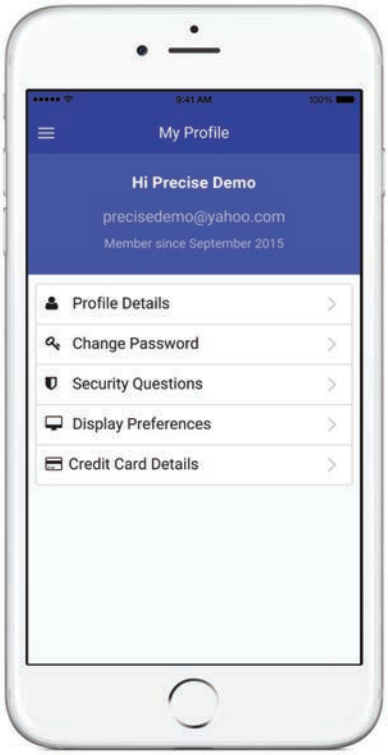
GEOFENCE ASSIGNED

You will now see that your Geofence was assigned. Your Kidsport Band can accept up to two Geofences. Remember, you can create several in the Geofence library, but two is the max to designate to each band. When your kid (wearing a band of course) wanders outside the Geofence area, you will receive a Push Notification as well as an Email Alert.



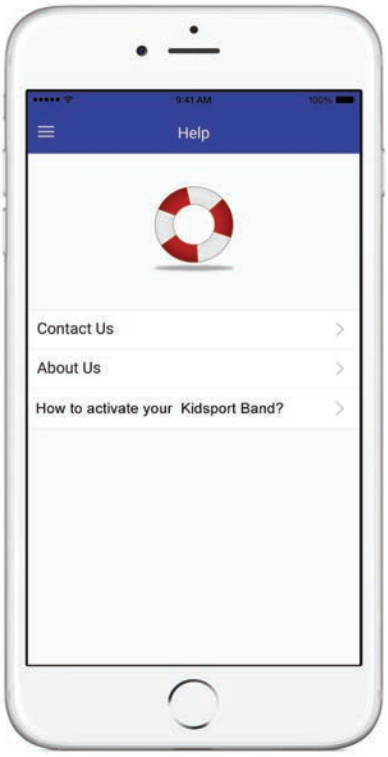
PROFILE VIEW

From here you can change your Password, Security Questions and more.



HELP

This User Guide can be accessed at any time right through your app. So if you have any questions, just click here.



STEP 5

LET US HELP YOU

The creators of Kidsport GPS have kids too! And we know when you purchase a product, it needs to work, be easy to use, and come with great support. If you have a question, just go to MyKidsport GPS.com and click on Support. From there you can view Frequently Asked Questions, Browse the User Guide, or Contact us via Web Chat, Email and Phone Support.

WARRANTY INFORMATION

This warranty covers manufacturer parts and defects for a period of six months. Full warranty information can be found at MyKidsport GPS.com

STEP 6

DECORATE YOUR KIDSPORT WITH jibbitz by crocs

Let's face it, each kid has his/her own identity... and loves to express it! With Jibbitz ™ Charms, your kids can customize their band to suit their mood and attitude. Jibbitz ™ by Crocs has thousands of charms to choose from.

To purchase, simply head to a Crocs ™ store or visit them at
www.crocs.com/c/jibbitz

FREQUENTLY ASKED QUESTIONS

GENERAL QUESTIONS

1. How does Kidsport GPS work?
• The band acquires the GPS signal from several satellites to determine location. It then sends that signal through cell towers and finds it's way to your app.
2. Do I need to find a cell phone provider?
• No need to find a carrier. We have made it easy for you. We have relationships with some of the most well known cellular companies…which means great coverage for you.

3. Is the Kidsport GPS waterproof?
• Yes it is. However the less you put it in water, the longer the silicone material will hold up.
4. Where will the Kidsport work?
• The Kidsport GPS uses T-Mobile service. For T-Mobile coverage areas, go to T-mobile.com
5. Will GPS signal pick up wherever there is a cell signal?
• Unfortunately there are a lot more cell towers to support a cell signal. GPS is limited to satellites. While inside buildings or dense cities, GPS may be obstructed.
6. How long does the battery last before I have to recharge the Kidsport?
• The battery will last approximately 20 hours while checking a new GPS location every 5 minutes. It's a bit like charging your cell phone. It's a good habit to charge it every night. It takes about one hour to charge your band.
7. Will Kidsport work outside the US?
• If you purchased you Kidsport GPS in the USA, then your band will work anywhere in North and South America.

TROUBLESHOOTING

NOT GETTING LOCATION ON MAP:

Step One: Make sure your band is fully charged. To be sure it has full power, charge your band for 1-2 hours.

Step Two: Take your band outside in clear skies

Step Three: Press your SOS button QUICKLY and then release.

Step Four: Check your app to see if the location has updated

TERMS AND CONDITIONS

Precise Innovation, LLC (Precise Innovation) is a cellular data service for Users of Precise Innovation products such as kidsport GPS Tracking Band and Caref GPS Phone Watch (Devices). The Devices use Precise Innovation mobile and web site applications (Software) to communicate with and monitor the Devices and configure and change the settings on the Devices. As used in this Agreement, the terms “User” or “you” means the person or entity who purchased the Device and licenses the Software for use on a Device.
PLEASE READ THIS AGREEMENT CAREFULLY. IN ORDER TO USE THE SOFTWARE INCONNECTION WITH A DEVICE YOU MUST ACCEPT THE TERMS OF THIS AGREEMENT. BY PURCHASING AND USING THE SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, YOU SHOULD NOT DOWNLOAD, INSTALL, OR USE THE SOFTWARE.
YOU REPRESENT THAT YOU ARE AT LEAST 18 YEARS OF AGE, ARE LEGALLY AUTHORIZED TO ENTER INTO THIS AGREEMENT, AND THAT THE DEVICE AND SOFTWARE WILL BE USED UNDER YOUR SUPERVISION AND DIRECTION.
1. License. Subject to the terms and conditions of this Agreement, and in exchange for the monthly service fee, you are granted a revocable, nonexclusive, non-transferable, limited license to use the Software only in connection with or on web browsers and Devices that you own, supervise, direct, and control. The Software is only licensed to you; it is not sold to you.
2. Term. The term of this license is month to month. You may cancel the service at any time by uninstalling and deleting the Software.
3. Fees. The amount of service fees you pay is determined by the plan you selected. Precise Innovation may increase the monthly fees from time to time. The fees are automatically charged to your credit card.
4. Termination by Licensor. Precise Innovation may immediately terminate this Agreement and the license of paragraph 1 if you breach any provision of this Agreement, if the fee is not timely paid, or if such action is necessary to prevent harm to any party or liability to Precise Innovation. Precise Innovation may also terminate this license for any reason, without cause, upon delivery of a termination notice to you.
5. Limitations, Restrictions, and Warnings on Use of Devices and Software.
a. Commercial Use. The Software and Devices may not be used for any

commercial purpose without the written consent of Precise Innovation. You may not allow third parties to use the Devices or Software and you may not charge others for the use of the Software or Devices.

b. Use with Children and Adults Requiring Supervision. If the Devices are worn by children or adults requiring supervision, you represent and warrant that (i) you grant permission to Precise Innovation to use the Devices and Software to collect information from, and location data of, such child or adult, (ii) you are authorized to grant such permission; (iii) you are authorized as or by a parent or legal guardian to use the Devices and Software for such purposes, and (iv) you are and will be solely responsible for the supervision, direction, and control of such adult or child.

c. Location Services. The Software and Devices are intended for location services. They are not intended or represented to be a safety or security system. You agree that security and safety precautions are not the responsibility or obligation of Precise Innovation.

d. SOS Alerts/Calls. SOS alerts and phone calls from Devices are only placed to phone numbers designated by you as the parent, guardian, or supervisor of the adult or child needing care or supervision. You agree to designate the appropriate numbers for such purposes.

e. Emergency Numbers and 911. Devices are not compatible with 911 or other emergency telephone number systems, nor are SOS alerts forwarded to emergency responders or personnel.

f. Accessibility and Non-Compatibility. Devices are not compatible with telecommunications accessibility features or services such as TTY, audio prompts or similar features for those with certain disabilities.

g. Recording Calls. You expressly agree that audio and text conversations between the persons using the Devices and any recipient of such conversations may be recorded without further notification, and that you will responsible for securing the consents to such recording from all persons who communicate via the Devices.

h. Privacy. The Devices collect and transmit to Precise Innovation data such as location, texts, alerts, and other communications. We will not share such data or your contact details or email address with any person or organization outside of Precise Innovation without your written consent unless ordered to do so by a court or authorized administrative body. For additional information on our privacy policy, see our Privacy Policy at www.preciseinnovation.com.

i. Software Ownership and Integrity. You may not reproduce, copy, transfer, sell, lease, modify, redistribute, loan, alter, adapt, port, merge reverse engineer, translate, decompile, tamper with, disassemble, decipher, decrypt, emulate the function of, reverse compile, reducing to human readable form, create derivative works of, attempt to discover the source code, deface, remove trademark or copyright notices from, or export all or any part of the Software, nor may you hack or access our systems or servers.

6. Limited Warranty. Precise Innovation provides a limited warranty to you for each Device (if you are the initial and original purchaser of the Device) that the Device is free from defects in materials or workmanship under normal use when used in compliance with the User Manual for six months from the original date of purchase from an authorized Precise Innovation reseller, subject to the limitations and terms of the warranty disclosure.
7. Registration, Password, Computer Security. You agree that you will provide accurate and truthful information when registering and/or providing credit card information, will not register under any alias or other means to mask your identity, will protect the confidentiality of your password, will not allow third parties to use your password or other information to access the services, will be solely liable foruse or unauthorized use of the services provided by Precise Innovation, and will be solely responsible for the security and integrity of your computer systems and for limiting and controlling access to the Software. If you suspect unauthorized use, change your password, and contact Precise Innovation at support@preciseinnovation.com or +1 (844) 543-7477
8. Updates. The Software may require updates from time to time. Precise Innovation reserves the right to modify or update the Software automatically at any time. Patch downloads or reinstalls may also be required for continued use of the Software.
9. Communications. Any information or communication you transmit to Precise Innovation will treated as non-proprietary and non-confidential and may be used by Precise Innovation for any purpose. Precise Innovation may use and exploit for its own benefit any ideas, concepts, or suggestions you submit to us without any obligation to compensate you.
10. Indemnification. You agree to indemnify, defend and hold us and our employees, officers, and agents harmless from and against any and all third party claims, demands, causes of action, costs, expenses (including attorney fees), and any legal liability whatsoever arising from, out of, or relating to (a) any breach by you of any provision of this Agreement, (b) your use of the Precise Innovation services and Software, or (c) a violation by you of any applicable law, agreement or obligation to a third party.
11. Changes to this Agreement. Precise Innovation may change, suspend, or terminate the services and/or this Agreement at any time without notice. Notification of such changes will be directed to you via the email account listed on your account or will be posted be posted on the Precise Innovation website. Your continued use and payment for Precise Innovation services after such changes indicates your acceptance of the changes.
12. Proprietary Rights: You agree and acknowledge that Precise Innovation is the sole owner and authorized licensor of the Software and Devices, including all software, graphics, designs, copyrights, trademarks, know-how, trade secrets, and other intellectual property or proprietary rights contained therein, and that you will not infringe or interfere with those rights.
13. Errors or Omissions. PRECISE INNOVATION HAS MADE REASONABLE EFFORTS TO ENSURE THE COMPLETENESS, ACCURACY AND ERROR FREE OPERATION OF THE SOFTWARE AND DEVICES; HOWEVER, DUE OF

THE COMPLEXITY OF COMPUTER HARDWARE AND SOFTWARE, PRECISE INNOVATION CANNOT AND DOES NOT WARRANT OR GUARANTEE THAT USE OF THE SOFTWARE OR DEVICES WILL BE UNINTERRUPTED, ERROR FREE, OR ACCURATE.

14. No Liability for Consequential Damages. IN NO EVENT WILL PRECISE INNOVATION BE LIABLE UNDER ANY THEORY OF TORT, CONTRACT, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, LOST PROFITS, LOST DATA, LOST OPPORTUNITIES, COSTS OF COVER, EXEMPLARY OR PUNITIVE DAMAGES, PERSONAL INJURY, OR WRONGFUL DEATH, EACH OF WHICH IS HEREBY EXCLUDED BY AGREEMENT OF THE PARTIES REGARDLESS OF WHETHER PRECISE INNOVATION WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

15. Additional Disclaimer of Warranties. EXCEPT AS EXPRESSLY STATED ABOVE, ALL PARTS OF THE PRECISE INNOVATION SOFTWARE, SERVICES, AND DEVICES ARE PROVIDED “AS IS”. PRECISE INNOVATION MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER AND EXPRESSLY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, NON-INFRINGEMENT, TITLE, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. PRECISE INNOVATION DOES NOT WARRANT THAT SOFTWARE, DEVICES, OR THE FUNCTIONS THEREOF OR ANY MATERIALS OR CONTENT CONTAINED THEREIN WILL BE COMPLETELY SECURE, UNINTERRUPTED, OR ERROR FREE, THAT DEFECTS WILL BE CORRECTED, THAT THE SERVER THAT MAKES IT AVAILABLE IS FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS, OR THAT THE SOFTWARE, DEVICES OR SERVICES WILL BE SUITABLE FOR YOUR PURPOSES.

PRECISE INNOVATION DISCLAIMS ALL LIABILITY FOR, OR WARRANTIES FROM, THIRD PARTY SERVICES OR PRODUCTS USED IN CONNECTION WITH PRECISE DATA SERVICES, SUCH AS YOUR WIRELESS CARRIER, APP STORE/PLATFORM PROVIDER OR DEVICE MANUFACTURER.

16. Your Sole Remedies. If any part of the warranty disclaimers or limitations of liability herein is found to be invalid or unenforceable for any reason or if Precise Innovation is otherwise found to be liable to you in any manner, then Precise Innovation’s aggregate liability for all claims and for all liabilities, shall not exceed the greater of (a) the amount paid by you to purchase the Devices from an authorized reseller, or (b) one hundred dollars ($100). Your sole remedies, and Precise Innovation’s sole obligations, are as set forth under the Limited Warranty, the dollar limitation set forth above, or your ability to cancel the services under paragraph 2.

17. Governing Law. The laws of the United States and the State of Kansas shall govern this Agreement without regard to conflicts of laws. Subject to the arbitration section below, YOU HEREBY EXPRESSLY CONSENT TO EXCLUSIVE JURISDICTION AND VENUE IN THE FEDERAL OR STATE COURTS LOCATED IN WYANDOTTE OR JOHNSON COUNTY, KANSAS FOR ALL MATTERS ARISING IN CONNECTION WITH THIS AGREEMENT, THE

DEVICES, OR THE SOFTWARE. Any claims asserted by you in connection with this Agreement, the Devices, or the Software must be asserted in writing to Precise Innovation within one (1) year of the date such claim first arose, or such claim is forever waived by you. Notwithstanding the arbitration section below, Precise Innovation may seek an injunction in a court of competent jurisdiction to the extent necessary to prevent any harm to any party or liability to Precise Innovation.

18. Arbitration. You hereby submit to arbitration before a single arbitrator in connection with any dispute relating to, concerning, or arising out of this Agreement, the Software, or the Devices. The arbitration will be conducted under the rules of the American Arbitration Association, and discovery will be conducted under the Federal Rules of Civil Procedure. The arbitration will be held in Johnson County, Kansas. Payment of all filing, administration, and arbitrator fees will be governed by the arbitrator, unless otherwise stated in this paragraph. In the event you are able to demonstrate that the costs of arbitration will be prohibitive as compared to the costs of litigation, Precise Innovation will pay as much of the filing, administrative, and arbitrator fees in connection with the arbitration as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive. Arbitration shall proceed solely on an individual basis without the right for any claims to be arbitrated on a class action basis or on bases involving claims brought in a purported representative capacity on behalf of others. The arbitrator's authority to resolve and make written awards is limited to claims between you and Precise Innovation alone. Claims may not be joined on consolidated unless agreed to in a writing by all parties. No arbitration award or decision shall have any preclusive effect as to issues or claims in any dispute with anyone who is not a named party to the arbitration. If you initiate a litigation or any other proceeding against Precise Innovation in violation of this paragraph, you agree to pay Precise Innovation's reasonable costs and attorneys' fees incurred in connection with its enforcement of this paragraph.

19. Export. You may not use or otherwise export or re-export a Device except as authorized by United States law and the laws of the jurisdiction in which the Device was obtained. In particular, but without limitation, the Devices may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List. By using the Device and/or Precise Innovation services, you represent and warrant that you are not located in any such country or on any such list.

20. FCC. The Devices complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) The Devices may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation. This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. For body-worn operation and use near the head, the Devices have been tested and meets the FCC RF exposure guidelines when used with the wrist strap supplied with this product. Use of other accessories may not ensure

compliance with FCC RF exposure guidelines. The maximum SAR value reported for body worn operation is 1.15 W/kg. The maximum SAR value reported against the head is 0.23 W/kg.

21. Additional Provisions. The following additional provisions apply to this Agreement:

a. Assignment. You may not assign the benefit or obligation of this Agreement. Precise Innovation may assign this Agreement.

b. Binding Effect. This Agreement shall be binding upon the parties, their heirs, legal representatives, affiliates, successors, related parties, and assigns.

c. Integration. This Agreement is an integration, which supersedes all prior and contemporaneous oral or written agreements between the parties.

d. Invalidity of Part. If any term or provision of this Agreement is adjudged to be invalid under the laws of any state or the United States, such invalidity shall not affect the validity or operation of the whole Agreement, unless the invalid term destroys the objects of this Agreement.

e. Construction. The paragraph headings in this Agreement are for convenience of reference and shall not affect its interpretation. The terms of this Agreement are to be construed as singular, plural, masculine, feminine, or neuter as context requires.

22. Contact Information. You may contact Precise Innovation at support@preciseinnovation.com or +1 (844) 543-7477 if you have any questions regarding this Agreement, to report a violation of this Agreement or abuse of Precise Innovation services, to receive help in uninstalling the Software, or for any other matter.

Model Name: Kidsport GPS
Model Number: 82012
Precise Innovations, LLC
Leawood, KS USA
FCC ID: XPYSARAU260
IC: 8595A-SARAU260

The Devices complies with part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) The Devices may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radioexempts de licence.
L'exploitation est autorisée aux deux conditions suivantes :
(1) l'appareil ne doit pas produire de brouillage;
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
